

Community Assessment for Accessible Rural Events

Attendee Survey

Please take a few minutes to fill out this survey about your experience at this event. Make sure to fill out both sides. There is space on the back to share additional comments.

Return your completed survey to event staff or volunteers, or drop it back where you picked it up. Thank you for your feedback! We will use this information to make our future events more accessible for everyone.

		How much do you agree with the following statements?					
		Not at all (1)	Somewhat (2)	Unsure (3)	Mostly (4)	Completely (5)	Does not apply (-)
Parking, Entrances, Pathways	1	There was enough accessible parking, and it was clearly marked.					
	2	Accessible entrances were clearly marked.					
	3	There were flat and unblocked pathways to all activities and services.					
	4	There were ramps at all steps and over uneven surfaces (for example, if there are no curb cuts).					
	5	Challenging surfaces, such as sand, loose dirt, grass, and gravel, have an accessible pathway on top of them.					
	6	Doorways and entrances were unblocked and wide enough for wheelchairs and power chairs.					
	7	There were handrails on each side of all stairs.					
	8	Door handles were levers or u-shaped.					
Bathrooms	9	There were enough clearly marked accessible bathrooms.					
	10	There were accessible toileting and feeding/watering areas for service animals.					
Information	11	There was a clearly marked booth or station with information about accommodations and accessibility questions.					
	12	There were clearly identified roving event staff to help with accessibility issues during the event.					

How much do you agree with the following statements?

		Not at all (1)	Somewhat (2)	Unsure (3)	Mostly (4)	Completely (5)	Does not apply (-)
Event Space	13	There was accessible seating set up in a way that was inclusive.					
	14	There was enough front row seating reserved for people with vision and hearing impairments.					
	15	Tables were at a usable height and had enough space for people in wheelchairs and power chairs.					
	16	There were accessible shaded or cool areas with comfortable seating for resting.					
	17	Sound and lighting were adjustable.					
	18	There was a designated area for people experiencing sensory overload to rest, away from noise, lights, and other commotion. Area was fragrance-free.					
Event Programming	19	Written materials (like flyers and signs) used high contrast and large print.					
	20	Event programs had captioning and/or sign language interpreters.					
	21	Speakers used microphones, including audience during Q&A sessions.					
	22	Assistive technology (such as headsets or ear protection) easily available.					
	23	Any events with sound effects, flashing lights or strobes, smoke machines, etc. were clearly marked.					
	24	People with food sensitivities and allergies had clearly labeled alternative options.					
	25	Overall, did you think the event was accessible?
